226.006 Spare parts to update D-Lite to D-Lite RX

The replacement parts of the first version of D-Lite housing 226.002 and 226.004 are discontinued and no longer available. In case of a broken housing of these parts, Elinchrom recommend the full update of your device to D-Lite RX by ordering the update kit **226.006**. With this update, users will benefit from the latest programmable features (EL-Skyport). All the details can be found in the User Manual 73114.

You will find below the spare parts included in the update kit **226.006** :
